so yeah
They're decimating this here forum (in the historical sense of the word relating to the forumers, the modern as it relates to the forums themselves. There's a difference.)
Since I have a general idea of when we're getting Thanosed I'll make some dramatic goodbye then, but just putting my goodbye now in case Phil decides he wants to eat it but I'll be here until the end

I've sta1ked here since summer 2018, I've joined just two short months ago, and I'm so happy I did join in the end. I've met so many amazing people, participated in some very creative, amazing FWRPs, evaded some (fake) taxes, watched Thanos do the Macarena, screamed into a void, yelled at the inanimate entity we call Phil, won the Hunger Games, and flipped tables. So. Many. Tables.

Im going to gradually let my shoutouts drip in, but this is a general goodbye directed at everyone. Thanks for putting up with this raging, cringe-inducing practically pupating human I am XD

I'm almost certainly going to be back by the summer, but @GGaD people Kitsune will be allowed to PoV Julius, Lillian, Aryll, Walter, and Patricia on Newsfeed. Maybe I'll be back by next Saturday. Maybe the spring, we'll see. But almost certainly the summer. And if Newsfeed comes to mobile browser, I will 100% be there, lickety-split.

So so long and thanks for all the fish.

~~I just realized what an obvious job I did trying to make this post lighthearted and funny, it just seems cheesy XD~~

I hope so. My parents have been doing screen time reduction but at least I might be able to use a PC- I have zero clue if it'll actually load the whole newsfeed but fingers crossed!

Aw, I can't wait to see you again Ocean. I want to give you your Hunger Games Crown before the Apocalypse, *Hands you a lovely crown* thank you for mentioning me. I'll be waiting for you.. hopefully on a less Twitter-like Newsfeed.

~~Yeah , I’ve heard about what it resembles, and while it’s not the worst thing that could happen it’s not great either. I did post a little compromise on the launch page, hope Becky sees it~~

speaking of the Macarena and GGaD, here’s one last incorrect quote- too lazy to dig up my personal thread

Theta: I will DESTROY all of you!!!
Julius: Nuh-uh. Walter?
Walter: Oh yes... it’s horrifying...
Walter: *Plays Macarena loudly from portable speaker* Dance, demigod, dance.
Theta: NOOOOO-

I don’t think it’d take a whole lot to fix it from what I’ve heard? It worries me though, I’d miss RPing a lot
